SDH-H-15-UK	1,050 (41.34)	260 / 950 (10.24 / 37.40)	56 (123)	310 (12.20)	1,500	54800006

EASYLIFT EL-SDH Manhole Cover Lifter

Small and light mechanical manhole cover lifter for lifting manhole covers up to diameter 800 mm (31.49 inch).

The manhole cover is lifted by tilting the EL-SDH with the handle. Optimal lifting position adjustable by chain.

Can be combined with crosspieces for lifting split covers.

The crosspiece of the EL-SDH can be pushed forward and back by approx. 120 mm (4.72 inch).

Optionally available: Permanent lifting magnet EL-SDH-LHM-300.

Key not included in the delivery. See table on next page.

- Durable surface protection by galvanizing.

EL-SDH
